ORDER:

In the letter read above, the Director of Horticulture & Sericulture, A.P, Guntur has stated that the firm M/s Oakland Biotech Agro Research Farms Pvt Ltd., Ananthapuram has submitted proposals for empanelment for supply of Drip Irrigation Systems. The Technical Inspection Team inspected the premises of the firm and verified all the facilities available, the production capacities of extruders, machineries etc and submitted the report on 27.06.2025 duly recommending for empanelment under APMIP for the supply of Drip Irrigation Systems.

2. The Director of Horticulture & Sericulture, A.P, Guntur has further stated that, the inspection report was placed before State Standing Technical Committee (SSTC) of PMKSY held on 24.07.2025 and passed resolution to send the proposals to Government for empanelment of New MI Company as the firm have production capacity, manufacturing facilities, BIS certification and Quality Control facilities as per required standards. Further he has stated that, enhancing the Gross Valve Added (GVA) of Horticultural and Agricultural crops is possible primarily, through the adoption or Micro Irrigation (MI), which plays a crucial role in boosting both production and productivity, the potential area under MI be brought under coverage over the next five years, with the aim of saturating all eligible areas in the State. To achieve this ambitious target and ensure farmers have a wider choice in selecting a Micro Irrigation company of their preference, it is essential to empanel more MI companies.

3. Therefore, the Director of Horticulture & Sericulture, A.P., Guntur has requested to examine and empanel the M/s Oakland Biotech Agro Research Farms Pvt Ltd., Ananthapuram for supply of Drip Irrigation systems under APMIP (PMKSY-per Drop More crop) to the farmers from 2025-26 onwards so as to enable to achieve the targets at the earliest.

4. Government after careful examination of the proposal, hereby approve empanel the M/s Oakland Biotech Agro Research Farms Pvt Ltd., Ananthapuram for supply of Drip Irrigation systems under APMIP (PMKSY-per Drop More crop) to the farmers from 2025-26 onwards.

5. The Director of Horticulture & Sericulture, A.P, shall take further necessary action accordingly in the matter.
